Solid Odor Neutralizer

CLEANING SOLUTIONS FOR THE HEALTH OF YOUR BUSINESS.

ODOR DESTROYER

Solid Odor Neutralizer

ODOR DESTROYER is a revolutionary new compound that chemically reacts with and neutralizes foul odors, leaving the treated area with a pleasant fragrance. ODOR DESTROYER eliminates odors in hotel rooms, garbage storage areas, healthcare facilities, schools, vehicles and more.

Chemically absorbs the odor from a wide range of sources.

New concept in the elimination of odors.

Safe to use on all surfaces.

Each capsule yields 80 gallons of use solution or 512 (20 ounce) trigger spray bottles.

PACKAGING:

1 x 2.5 lbs/case (#5860S1)

PROPERTIES:

Color - Purple	Fumes - None
Fragrance - Floral	Flash Point - None
pH - NA	Corrosive Factor - None
pH, Use Solution - 3.0-6.0	Shelf Life - 1 year

BAR CODE & CUBE INFORMATION:

Dimensions - 5.25 x 5.25 x 7.5
Weight - 3
Cube - 0.12
PKG/Layers - 42
Layers - 7
Pallet - 294
Hazardous - No
UPC Code - 10784331586095

SAFETY:

Read label carefully before use. For industrial and institutional use only by trained personnel. Keep out of reach of children. Causes eye and skin irritation. Harmful if swallowed. Breathing may cause respiratory irritation. For further information, consult the Safety Data Sheet.

DIRECTIONS FOR USE:

Trigger Spray Bottles: Place bottle under dispenser with tube in bottle. Fill with use solution by turning valve to "on" position or pushing button. Set the trigger spray nozzle to generate a fine mist. Spray mist generously around the area to be treated at an upward angle so the mist dissipates as it falls through the area.

For spots or spills, spray lightly on the surface after cleaning up as much of the spill as possible.

Don't soak or use on surfaces susceptible to water stains (i.e., wood surfaces).
