

SOLID GREEN 40

Pot and Pan

CLEANING SOLUTIONS FOR THE HEALTH OF YOUR BUSINESS.

SOLID GREEN 40

Pot and Pan

SOLID GREEN 40 has been recognized by the Environmental Protection Agency's Design for the Environment Safer Choice program as a step forward in improving the safety and environment impact of cleaning products that were previously available for the same use.

High sudsing detergent for the use in manual utensil, pot and pan washing operations.

Ideal for three bin sinks.

Mild to skin.

Very effective in removing greasy soils from pots, pans and food preparation utensils.

Contains no harmful ingredients.

Rapidly biodegradable.

Contains no phosphorus, VOCs, NPEs or high pH corrosives.

Product is kosher year-round, excluding Passover.

EPA recognition does not constitute endorsement for this product. The Design for the Environment Safer Choice logo signifies that the formula for this product, as Sunburst has represented to the EPA, contains ingredients with more positive health, safety and environmental characteristics than conventional cleaners. EPA/DfE/Safer Choice relies solely on Sunburst, its integrity and good faith, for information on the composition, ingredients, and attributes of this product. EPA/DfE/Safer Choice has not independently identified, i.e., via chemical analysis, the ingredients in the product formula, nor evaluated any of Sunburst's non-ingredients claims. EPA/DfE/Safer Choice expresses its judgment and professional opinion only as to the environmental and human health characteristics of the product, based on currently available information and scientific understanding.

DIRECTIONS FOR USE:

Remove cap and place upside down in dispenser.

R2U Dispenser: Turn valve to "on" position. Fill container to desired level and turn valve to "off" position.

P4C Dispenser: Dispense concentrate into the sink by pushing and releasing the button on the dispenser. Then add water to sink fill line.
