Food and General Use Spot Remover

CLEANING SOLUTIONS FOR THE HEALTH OF YOUR BUSINESS.

SR2

Food and General Use Spot Remover

SR2 is a general purpose spotter designed to treat food and body fluid stains, but can be used for the removal of a broad spectrum of stains. Works to break up protein stains and does not contain bleach, so it will not damage garments. It is environmentally friendly and safe to handle.

Used for the removal of a broad spectrum of stains.

Designed as a pre-spotter to treat food and body fluid stains.

Environmentally friendly.

Active enzymes break up protein stains on table linens, bibs and clothing.

Does not contain bleach and will not damage garments.

Safe to handle.

Includes a Green Trigger Sprayer Head.
